

## CONTRACEPTIVE SUPPORT PAK

Vitamin and mineral depletions are associated with oral contraceptive use and other forms of hormonal birth control. To address possible drug-nutrient depletions we recommend:

- MegaVM Multivitamin
- Country Life Superior B12

These statements have not been approved by the Food and Drug Administration.

# \$5 OFF

## CONTRACEPTIVE SUPPORT PAK

Code ABD1711. Offer valid through October 31, 2015.

All supplements in support pack must be purchased together. Loyalty discount offers additional savings of 10% on all purchases.

Oral contraceptives (OCPs), also known as Birth Control Pills or “The Pill” and hormonal IUD’s and rings are a class of medication commonly used to prevent pregnancy. Multiple nutrient deficiencies associated with OCP have been identified since 1975.
